If we cancel the flight, we will tell you as soon as possible, and do our very best to offer an alternative date according with the client. We reserve the right to reschedule the timings owing to weather conditions or factors beyond our control. Weather, such as low visibility at the intended destination, may make it unlikely for a flight to be completed as planned. The customer, once informed of any reduced likelihood of completing a flight as intended, is responsible for all flight time cost, repositioning costs or unexpected hotel, transfer, or airport taxes costs associated with that flight. Some helicopters are allowed to fly only in visual flight rules. If the client delays his schedule and the helicopter have to land in order to comply with the VFR rules we cannot guarantee the itinerary. No refund will be provided in such case. Only Pilot-in-command has sole right to judge flight condition and make final decision.
